**25 March 2010**

## HOP ALONG TO THE BIGGEST EASTER EGG HUNT IN NSW

More than 28,000 Cadbury Easter eggs will be the star attraction at this year's Highlands Harvest Hunt - the largest Easter egg hunt in NSW this year - to be held in the grounds of Southern Highland Wines, Sutton Forest on Easter Sunday 4 April 2010.

This fabulous community event is being presented by The Southern Highlands Foundation in partnership with Southern Highland Wines. In particular, the event will raise funds to continue the community support for the purchase of new equipment for the Children's Ward at Bowral Hospital, to help better the treatment for children in this area.

Children will share in thousands of Cadbury Easter eggs, which will be scattered in the organised hunting area of the grounds. As well as hunts for children of all ages and adults, there will be plenty of activities on offer such as friendly farmyard animals, egg painting, mini jeep rides, bungee swings, a rock climbing wall, jumping castles and egg and spoon races. With photo opportunities, raffles and loads of Easter eggs to find, it's a guaranteed morning of great family fun.

Families can bring along a picnic to enjoy in the grounds or take advantage of the large range of catering provided. Award-winning wines will also be available for tasting at the Cellar Door.

The hunts will be run as follows:

- Toddlers: 9.30 am and again at 11.00 am
- Primary: 9.30 am and again at 11.00 am
- Secondary: 10.00 am and again at 11.30 am
- Adults: 10.00 am and again at 11.30 am
- Disabled: 10.30 am

Tickets are on sale now through Tourism Southern Highlands or direct from Southern Highland Wines.

Admission (includes egg hunts) is \$10.00 per person (2 year +) or \$35 for a family of four.
