

Ferndale/Old Argyle/Ellsmore Circuit 18km, Moderate.

A very enjoyable ride on generally quiet, sealed (11km) and dirt (7km) country roads with a chance for wine tasting en route!

Head across the pedestrian level crossing at the railway station and follow Ellsmore Rd for 1.4km to a T-junction. Turn left and after a further 1km the road becomes dirt for a short section - up then down with pretty rural views. Once back on the blacktop enjoy a steady climb and turn left into Cornwall Rd, turn right into Westgrove Rd then left onto Sallys Corner Rd at the T-intersection. After 0.5km turn right if you want to sample the wines of St Maur (200 metres along the road). Otherwise turn left into Old Argyle Rd and follow this tree lined road (6km dirt) which becomes Ferndale Rd at a sharp left hand corner. From here enjoy a long downhill before the road undulates back into Bundanoon. Turn right into Hill St and at the top turn left at the roundabout before turning right to cross the railway bridge and following Anzac Pde back to the village centre.

WARNING: Rides 4 and 5 are winding rural roads which have sections of 80 and 100km/h speed zones and therefore may be unsuitable for young and novice riders.
