TULIP TIME CREATING MEMORIES

This year Tulip Time is proudly supporting Dementia Australia and the Wingecarribee Adult Day Care Centres.

In support of the charity partners' theme 'Forget-Me-Not' and Dementia Awareness Month, Tulip Time's theme will be "Creating Memories" through the colourful displays of mass planted tulips and a range of activities and installations created by Southern Highlands' artists in all fields of the Arts.

The 2018 Tulip Time Ambassador, Noeline Brown, Logie award-winning actor and comedienne, is a long-term resident of the Southern Highlands and an active supporter of the excellent and important work that both charities carry out locally and throughout Australia.

With dementia being the second leading cause of death in Australia and the growing ageing population, Tulip Time recognises the importance of raising awareness of the impact of dementia in today's society and the need for seniors to have centres where they can be involved in the community with a sense of comfort and support.

WELCOME TO TULIP TIME

Celebrate spring in the beautiful Southern Highlands with displays of tulips throughout the region.

Corbett Gardens in Bowral, one of the region's oldest and well-established gardens, is the centrepiece of Tulip Time with 110,000 mass planted tulips and 20,000 annuals nestled among blossoming apple and magnolia trees and magnificent 100 year old Himalayan Cypress and Cedar trees.
